

Establishing A Legacy Scholarship

Legacy of Pearls Foundation, Inc. (LOPF) allows donors to establish a Legacy Scholarship with a minimum of \$500.00 for book scholarships and a minimum of \$2000 for general scholarships. It is a unique and affordable way to assist a student in school. Since these funds are not endowed, and your gift will immediately benefit a student recipient.

LOPF will administer the scholarship as part of the scholarship program established for the organization. In our commitment to help raise funds and awareness LOPF will:

- Support the marketing of the scholarship fundraising
- Create a donation link on the LOPF website for a maximum of 3 months to give scholarship donors an opportunity to contribute online
- Promote the scholarship to the service area community
- Manage the application process
- Work with donor to select the award recipients that meet the established criteria
- Donors can determine whether gift is a one-time scholarship or an annual scholarship for students

Donors will receive:

- Recognition on the Legacy of Pearls Foundation, Inc. website
- Listings on the LOPF marketing materials related to scholarships
- Donors to the scholarships will receive a tax donation letter at the end of the fiscal year

100% of Legacy Scholarship tax deductible donations go directly to the student recipients.
